Dear Ms. Abad:

The Department of Procurement Management (DPM) has completed the review of your application and attachments submitted for certification. Your firm is officially certified as a Micro/Small Business Enterprise (MICRO/SBE) in the categories listed below.

This certification is valid for twelve (12) months, which will expire on February 28, 2011. This certification affords your company the opportunity to benefit from participation in county contracts with small business measures. Please note the trade categories listed below. These are the only sheltered market areas that your company is eligible to bid or participate in under your current certification.

Due to a backlog, your renewal application was reviewed and/or approved after the expiration date of your certification. Considering the fact that your application was received prior to the expiration date, your recertification approval date will correspond with your previous expiration date.

If any changes occur within your company during the certification period (ownership, address, telephone number, trade category, licensing, technical certification, bonding capacity, or if the business ceases to exist) you are required to notify this department within 30 days in writing. It is of critical importance that current information regarding your company be kept current. All inquiries or changes related to this certification should be directed to Giovanna Casadesus at casadeg@miamidade.gov in the DPM Vendor Services Section. An application for recertification must be submitted and forwarded to this office four (4) weeks prior to the referenced expiration date. Should your firm fail to re-certify, or lose its certification for any reason, the ability to work on contracts with measures will be affected.

Thank you for your interest in doing business with Miami-Dade County.

Sincerely,

Miriam Singer, CPPO
Director

Dear Ms. Abad:

The Department of Procurement Management (DPM) has completed the review of your application and the attachments submitted for certification. Your firm is officially certified as Disadvantage Business Enterprise (DBE) and Airport Concessions Disadvantaged Business Enterprise (ACDBE) in accordance with the State of Florida Unified Certification Program (UCP) approved by the U.S. Department of Transportation (FDOT) in the categories listed below. These certifications afford your company the opportunity to participate in contracts throughout the State of Florida with DBE and ACDBE measures.

Your DBE and ACDBE certifications require you to complete a Continuing Eligibility Form annually. To ensure timely processing the Continuing Eligibility Form is accessible at http://www.miamidade.gov/dpm/about_us_business_assistance.asp. A hard copy is available upon request and may be sent to you via mail or facsimile. Failure to complete and submit the required forms with the required supporting documents on or before your anniversary date may result in the removal of your company from the Florida DBE Unified Certification Program.

Due to a backlog, your renewal application was reviewed and/or approved after the expiration date of your certification. Considering the fact that your application was received prior to the expiration date, your recertification approval date will correspond with your previous expiration date.

If any changes occur within your company during the certified period (such as ownership, address, telephone number, trade category, licensing, technical certification, bonding capacity, or if the business ceases to exist) you are required to notify this department within 30 days in writing. It is of critical importance that the current information regarding your company be updated. All inquiries or changes related to this certification should be directed to Giovanna Casadesus of DPM Vendor Services Section at casadeg@miamidade.gov.

Should you have questions regarding your firm's certification, Ms. Casadesus will be pleased to assist you.

We look forward to your participation and success in Miami-Dade County's disadvantaged business programs.

Sincerely,

for Miriam Singer, CPPO
Director
